Morgan

Citrus House

The Citrus Building offers a convenient central town location, with some allocated parking and contemporary styled apartments including a spectacular specification. This and the stunning views over the Common and Bournemouth skyline make this the perfect place to call home.

Installation

Peter Newman Flooring were entrusted with the installation of Quickstep laminate floors and Tomkinsons Carpets and underlay throughout the apartments and communal areas to the entire development.

The products were selected by the designers to provide a modern clean image.
